How will you entertain your guests at half time? Some trivia?

YOUR HALF TIME BREAK

Every fan, in every location deserves the opportunity to participate in some half time fan fun (at home or in the venue!) – so why not put on your own Half Time Trivia Quiz?

TRIVIA OPTIONS

Traditional Trivia – all you need is a quiz master, questions, answer sheets and smash out the top ten trivia questions!

Timed Trivia – There are only 120 seconds on the clock, the questions are prepared on the sheets, get the stop watch ready, flip over the sheets, pens ready and go! Ten questions, 120 seconds...no cheating...pencils down at the buzzer people!

Trivia in Teams – Everyone loves a buddy system, so pair/group up the crowd based on their favourite teams, birthdays, netball positions (shooters, middies and defenders) or by random draw!

OUR TROPHY TRIVIA

Easy and hard options available. ([Questions](#)). ([Answers](#))

OR...CREATE YOUR OWN TRIVIA – here are some ideas...

Can you guests name the countries which competed in the 1963 first World Cup in Eastbourne UK? (A good one for the Timed Trivia option!)

Can you guests lists the nicknames or official names (if they don't have a nickname) of the 16 competing nations?

Are you guests fans of a particular nation...can they name all 12 players selected in the side? First and last names? (Use our [Country Fact Sheets](#) to plan!)
